

### **“NOVI SAD CULTURAL ACTIVITIES IN PRISON”**

Aganfor visited Novi Sad in Decembre 2013 within the framework of its activities in the Western Balkans.

The local prison is a good model that prove the intention of the Serbian prison system to advance in rehabilitation policies.

In the picture below the greenhouses (salat and tomatos production) managed by the inmates.

Recently the director organized also a set of cultural activities (theater and music show organized by the detainees). Mirko Stojkovic, Agenfor Regional Coordinator, was there:
