

TRAINING OF THE TRAINERS

Riga, Latvia, 16–20 April 2018

Program

The Training course for trainers (ToT) will take place in Riga, Latvia. The working language will be English. The training program has the primary objective to provide competence and skills to prevent contrast the emergence of radical phenomena within European prisons, through the use of multifaceted, multidimensional and multidisciplinary methods and tools. Trainers will be acquainted with the most advanced methods to combine judicial and police cooperation as part of the judicial and psycho-social prevention activities.

We will use proactive blended training methodology, integrated with Living Lab approaches, using the new HERMES Learning Management System, which will allow participants to customize and deliver tailor-made cascade training at national level and become part of a practitioner community of counter-radicalization experts at pan-European level.

This activity, supported by the DG Justice and DG Home is also part of the RAN National Assistance program to the Italian Ministry of Justice.
