Mobile Assistance Interagency Teams to Detect and Prevent the Escalation of Violent Radicalization. Training Aid.

- ❖ Training Aid is a two-year project co-funded by the European Commission DG Home Affairs under the program “*Law Enforcement Training*” to prevent radicalization, equipping front line practitioners with the skills to detect radicalization in various settings and providing them with the tools to react in an appropriate manner. HOME/2015/ISFP/AG/LETX
- ❖ Training Aid will facilitate the integration of member states counter-radicalization efforts establishing common procedures for highly-specialized training methodologies and integrating specialized topics such as strategic planning and fundamental rights by using blended technologies for synchronic and a-synchronic training delivery.
- ❖ Training Aid will design a training course with interactive virtual environments. 48 professionals will be recruited in order to deliver the training courses around Europe and reach more than 1000 front line practitioners.
